

Signature Services Corporation
Employment Opportunities

FOOD AND NUTRITION SPECIALIST

POST GRADUATE & UNDERGRADUATE INTERNS:
FALL AND SPRING SEMESTERS

Two positions available:

For those interested in obtaining experience in the food service industry while developing and exercising their food nutrition education in a multifaceted corporation Signature Services Corporation may have the place for you. The purpose of the post graduate internship is to let the recent graduate or soon to be graduate learn real life experiences in a corporate setting by examining, writing, analyzing, menus while at the same time learning food production methods. Specifically these two positions call for knowledgeable students of dietetics who can professionally represent our company to our private school clientele which may involve making presentations about nutrition to young students, faculty members, and even parents. Knowledge of child nutrition is a strong requirement; ability to interact with young children as well as faculty is highly recommended. The intern will be involved in marketing the nutrition concept of our company to all of our private school locations in the Dallas, Texas area. This position will permit the candidate create, innovate, and develop his / her talent skills.

Benefits: Sept—Dec. and / or Jan-May

Post graduate salary: \$ 350 per week Under graduate salary: \$ 250 per week.

Free room & board company auto provided (provisional)

Positions lead to full time opportunities as well as summer jobs and summer internships.
